4 A standard development process is considered democratic when it is established:

Punto/s:

4/4

Seleccione ☐ by a group of the main industry leaders

menos una ☐ by the market leader and all the others follow it voluntarily

☒ following several steps in which all can participate and agreement is achieved by voting If all can participate and vote it is clearly a democratic process.

☐ by custom or common usage (it begins being used and it establishes as a standard because of everybody using it)

☒ by some process in which all interested parties are invited to participate and it is approved by consensus Consensus, though difficult to achieve, is a democratic way of decision.
