## Tiempo i 0:28:48

A standard development process is considered democratic when it is Punto/s: established: 4/4

al menos

Seleccione 

✓ by some process in which all interested parties are invited to participate and it is approved by consensus

- by custom or common usage (it begins being used and it establishes as a standard because of everybody using it)
  - by a group of the main industry leaders
  - following several steps in which all can participate and agreement is achieved by voting

by the market leader and all the others follow it voluntarily
