4 Punto/: 4/4	A standard development process is considered democratic when it is established:			
	Seleccione al menos una respuesta.	by the market leader and all the others follow it voluntarily		
		 by custom or common usage (it begins being used and it establishes as a standard because of everybody using it) 		
		by a group of the main industry leaders		
		by some process in which all interested parties are invited to participate and it is approved by consensus		
		following several steps in which all can participate and agreement is achieved by voting
